General Information

Arrival and Departure

Weekly holidays are from Saturday to Saturday (unless otherwise stated). The apartment will be ready for you from 1.00pm onwards on the day of your arrival and must be vacated by 10.00am on the day of your departure to allow for cleaning, ready for the next visitors.

Parking

Parking facilities in the centre of town can be limited, however daily or weekly Parking Permits are available from the Tourist Information Centre (opposite the Railway Station) which allow parking in any of the Borough Council's long stay car parks in the Whitby, Scarborough and Filey area.

Cleaning

The apartment is cleaned between holidays and made ready for the new occupants – it is essential that you vacate the property by the time advised on your

departure day. We do however ask that you leave the apartment clean and tidy and that the contents are left as you found them. Any breakages or problems which will affect subsequent lets must be reported.

Extra Persons

Under no circumstances should the apartment be occupied by more than the stated number at any time during the holiday.

Dogs

Unfortunately, it is not possible to accommodate dogs in the apartment.

Off Peak Short Breaks

These are available for up to 3 or 4 nights in the apartment. Often these bookings can be made at short notice at a time when the area is generally quieter and more peaceful than during the main season.
